- After I review and approve your interview you will be placed on my waiting list in order of when you were approved.
- Contracts are signed when the puppy goes home. A copy of my contract will be emailed to you prior to you picking up your puppy. Please read it carefully and ask any questions you may have.
- I always reserve the right to decide who receives one of my puppies. Finding the right home for each puppy is of utmost importance to me.
- Show quality puppies are ALWAYS chosen first and their placement takes priority over choosing pet puppies. This is in part due to the particular requirements for show puppies. Show quality puppies are ONLY placed in homes where I feel they will be shown.
- As a general rule, I will be the one choosing which puppies go to which homes. Of course, this is done in close consultation with the puppy buyer to ensure everyone gets the puppy who best fits their requirements.
- If none of the puppies available are suitable for your needs, you may wait for the next litter or go to another breeder. I am always happy to make referrals to other reputable breeders.
- Puppies usually will go home between 8-9 weeks depending on when I am able to determine which puppies are potential show dogs and if the pups are mature enough to go home.
